

REPORTING METHOD

A complimentary "Home Reference Manual" is included with every Avenue Home Inspection. This manual is the most complete and detailed guide available, consisting of 400 pages and 160 illustrations, describing every system of the house, its' life expectancy, and approximate replacement cost. Also included are specific Report Forms (9 in total) that cover every aspect of your home inspection.

WHAT IS AN "Avenue Home Inspection"?

The purchase of a home is often one of the largest investments of your lifetime. A home inspection will assist you in making the most informed buying decision. It is beneficial to be aware of any current problems or those that might arise in the future. Avenue Home Inspections, is therefore your road to the right choice.

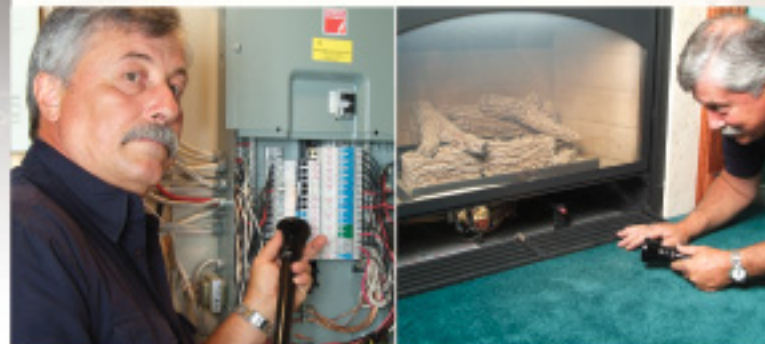

OUR COMMITMENT:

- Superior quality, comprehensive and thorough inspections performed by professionally trained home inspectors.
- Welcoming your presence during the home inspection, allowing you to obtain detailed and comprehensive answers to your questions.
- Conducting home inspections following the Canadian and Ontario Association of Home Inspectors' standards.

- Continuing responsibility and service to our clients beyond the completion of the home inspection. We encourage you to contact us at any time with your questions or concerns.

- Your report, complete with manual, is prepared and submitted on site following the completion of the home inspection. This practice eliminates any delays and expedites the finalization of the sale/purchase.

- Assuring professional objectivity by not being associated with any trades, nor recommending any firms to perform necessary work.
